Achievers!

Tom Bromage, Director of Program Services at **Madison Square Boys and Girls Club (MSBGC)**, is JANY's 2007-2008 *Community Partner of the Year* honoree. With Tom's support, JANY delivered JA programs to **600** students at six different MSBGC after-school program clubhouses.

"When you bring two entities together to work for similar goals, it increases the impact that both organizations have. We're helping our young people succeed to become well-rounded, productive, successful adults and a key component of that is helping young people to be financially literate—helping them understand how to save, make, earn, and borrow money responsibly."

Tom Bromage
Director, Program Services
Madison Square Boys and
Girls Club

"4.5 million lower-income individuals have no financial savings or a bank account."

Caskey, J.P. (2006), *Can Personal Financial Management Education Promote Asset Accumulation by the Poor?* In Networks Financial Institute at Indiana State University, *Assessing Adult Financial Literacy and Why it Matters* (pp 14-29)

One of JANY's greatest achievements is its successful cultivation of deep and mutually beneficial partnerships with business, government, community and educational institutions. Our After-school and Summer Youth Employment Program (SYEP) partnerships play a vital role in our effort to reach and impact our neediest communities. JANY's after-school partners provide supervised, educationally enriching JA programs to students in a safe and nurturing community environment outside of school hours. Each summer, JANY's SYEP partners provide much needed real-world career exploration opportunities to New York City youth between the ages of 14 and 21. Students receive valuable career instruction, financial literacy training, academic improvement and social growth experiences. JANY values and is proud of our community partnerships in NYC and Long Island—a vast network of people who care about the future of NYC and Long Island students.

Aspira after-school program students celebrate **Lights On After-school** at the CS-300 Bronx site.
