

2009 JUNIOR ACHIEVEMENT OF NEW YORK LEADERSHIP HONOREES

Community Partner of the Year

Kathy Gordon

Good Shepherd Services

Good Shepherd Services has been a reliable Afterschool partner for many years. Thank to the efforts of Kathy Gordon, this year the organization sought to create new opportunities for their students to participate in JA by initiating a Company-based High School program at one of their board companies, UBS, and increasing the number of students working with a current corporate partner by adding a Youth Leadership Conference at New York Life.

In addition to the increased participation in corporate events, several new Afterschool programs signed on to teach Junior Achievement programs during this school year, including a notable full year of programming by the Afterschool program at Grady High School in Brooklyn, serving nearly 1,000 students.

Kathy Gordon and Anre Williams, JANY Board Chair.
