

## 2009 JUNIOR ACHIEVEMENT OF NEW YORK LEADERSHIP HONOREES

### **Educator of the Year**

**Wendy Shatzman-Sherry**

**Lecturer**

**Kingsborough Community College**

This is the second year that Professor Schatzman-Sherry has had two of her speech classes at Kingsborough Community College participate in Junior Achievement.

Last year, under her direction, over twenty Kingsborough volunteers taught over two hundred middle school students at PS 206 in a JA-in-a-Day.

This year, thanks to Wendy's efforts, 67 Kingsborough students have taught JA programming to almost 500 students, more than doubling last year's student reach. She incorporated Junior Achievement into her curriculum as service-learning and devoted many hours to helping her students prepare.
